FIRE-ROASTED & SMOKEHOUSE-ROASTED

*Carmelized
Recipe*

AUTHENTIC TECHNIQUE FOR A MORE AUTHENTIC FLAVOR

Fire-Roasted: Cooked over an open flame for authentic, savory roasted flavor without additives.

Smokehouse-Roasted: A touch of extra-virgin olive oil added to generate a rich smoky flavor.

Direct flame ensures maintained color vibrancy and crisp texture, and instantaneous freezing locks in the ideal moisture balance and peak freshness after cooking.
